1	An Intimate Look at Covid 19- Los Angeles, CA	Raebayne, Melinda	Feature Short	deama.work@gmail.com	9:23	Ashley Jackson, producer and actress, shares with you the reality of what it's like to be an artist during COVID. As a Black woman, Ashley provides us with her personal insights into the importance of the Black Lives Matter movement. A movement that saw a revitalization	https://www.youtube.com/watch?v=ua5LmV90wNs
2	An Intimate Look at Covid 19- Quileute Enrolled Quinault	Raybyne, Melinda	Feature Short	f22studioworks@gmail.com	11:25	Rebecca Black, Quileute enrolled Quinault, gives us a personal look into some of the heartbreaking history, beautiful traditions and struggles that her people and others within the Native Community are facing during COVID. Stories are a scared way to pass down knowledge	https://youtu.be/0jLgaGdamcs
3	Children of the Sun, Taino Nation	Blanca Iris Acuna	Music	dcroes444@gmail.com	4:00	Young man is taught to keep his ceremonies, dancing and praying to keep his cultural indigenous traditions alive, through his spiritual walk in life.	https://youtu.be/TE6CJTugr6g
4	Climate Change is Here, the Movie	Lundahl, Robert	Feature Short	julieantonje@yahoo.com	22:50	This film is a product of this important effort to make the world aware and engage them in this critical conversation about climate change and the real threat it is imposing on people, our environment, and the health of both.	https://vimeo.com/582264992
5	From Darkness Comes the Light	Hartman, Ed	Experimental		1:56	This short music video is a simple audio/visual inspiration for hope inspired by the beginnings of the pandemic. The music was a challenge to transition emotionally throughout the piece.	https://www.youtube.com/watch?v=qtCRU8_zhyY
6	I Met Dr. Munk	Lundahl, Robert	Documentary Short		6:21	This film recounts meeting one of the world's preeminent oceanographers, Dr. Walter Munk, and offers a glimpse of his varied work and life. The film focuses on his work to understand and communicate the vulnerability of Antarctic ice shelves to deep ocean warming.	https://vimeo.com/598344321

7	Into the Known	Hartman, Ed	Feature Short	jefferson.martin.elliott@gmail.com	1:56	This very short film is inspired by the The Roger Corman First and Hopefully Last Quarantine Film Festival". It was shot entirely with an LG Android Phone. The film stock used in the project is film by Richard H. Lyford ("As the Earth Turns", "The Titan").	https://youtu.be/Eo7aQ-VP_ac
8	Khu.Eex, The Magic of Noise Trailer	Hautala, Elke Michael Kleven	Docu-mentary Short	Costa@Woodlanders.com	4:17	Khu.éex': The Magic of Noise follows the journey of experimental Seattle rock band Khu.éex' as they uniquely mix Native American cultural elements with jazz, funk, rock and blues. It highlights their evolution of Native culture, their activism through the universal language of music and the confluence of shared struggles for African-Americans and Native Americans while the emotional arc focuses on overcoming loss and the deep imprint of inter-generational trauma.	https://vimeo.com/352192286
9	Let's All Go to the Kitchen	Hartman, Ed	Feature Short	jefferson.martin.elliott@gmail.com	2:29	This film is a take-off of 1950s/60s theatrical intermission films. It was inspired by the Pandemic, as all theaters were closed and families were forced to watch movies at home. The music by Ed Hartman has been recently used on the Twilight Zone (2020)	https://vimeo.com/443101139
10	Moving Forward with Grace	Hartman, Ed	Experime-ntal	robert@studio-rla.com	4:00	This piano piece was inspired by Puget Sound seagulls. The steady on-shore wind keeps these birds afloat, nearly infinitely.	https://vimeo.com/585084628/5dcbbaedb
11	PSA: Box Fan and Air Filter	Carneen, Robin	Feature Short	-	2:22	Swinomish Environmental Protection Department, Specialist Kelsey Larson demonstrates how to use a simple box fan & filter to help deal with the air filled smoke creating even poor indoor air quality due to wildfires.	https://m.facebook.com/story.php?story_fbid=10158914538870452&id=690395451
12	Race to the Ocean	Hartman, Ed	Music	dsienko@tulaliptribes-nsn.gov	2:54	This music video features a positive flowing piano score, and imagery from the Washington Coast.	https://vimeo.com/585081723/bc40e30e55
