a place to gather and tell stories

The Hibulb Cultural Center and Natural History Preserve is dedicated to those who have gone home before us and to those who have remained to keep the fires burning.

The Hibulb Cultural Center is approximately 23,000 square feet with a 50-acre natural history preserve. The interactive cultural center features a main exhibit, a temporary exhibit, two classrooms, a longhouse, a research library, and gift shop. The Hibulb Cultural Center also features a fully certified collections and archaeological repository. We are the first Tribal facility to be certified by the state of Washington.
